**RE: Teachers' Pension Plan External Review**

---

As you will recall, the External Review Panel is scheduled to provide its recommendations in a report to the Province of Nova Scotia and the NSTU not later than July 31, 2022.

After the Panel's report has been received, the Teachers' Pension Board will meet to review the report and discuss the next steps with respect to the recommendations.

It is important to remember that the Panel will only be making recommendations that are non-binding on the Sponsors (the Province of Nova Scotia and the NSTU). The Sponsors will consider any recommendations through the Teachers' Pension Board. Please be assured that members of the Plan will continue to receive updates going forward.

If you have any questions related to the External Review, please feel free to contact the NSTU at [pensionreview@nstu.ca](mailto:pensionreview@nstu.ca).
