## Pensionable Service

- Each school year in which you teach or claim 175 days or more out of the 195 school days is a pensionable year of service.
- If you teach or claim less than 175 days in a school year, the service is prorated by dividing the number of days taught and claimed by 195 and rounding to 4 decimal places.
- Service is counted in years and days (all days count).
