

Nova Scotia Teachers Union and Department of Education and Early Childhood Development

PLEASE READ CAREFULLY AS GUIDELINES HAVE CHANGED

Background

In a contractual agreement between the Nova Scotia Teachers Union and the Department of Education and Early Childhood Development, an annual sum of \$200,000 is allocated for the purpose of encouraging innovative and unique program development in Nova Scotia's schools. Projects funded or assisted under PDAF must be directly related to the Public School Program.

PDAF is intended to encourage breakthrough and alternative ideas at the local school level which significantly and directly enhance the delivery of programs and services to students. This may include, but is not limited to, taking an established curriculum practice or program and using this in a new and unique way. PDAF provides teachers with financial support to initiate creative and innovative teaching practices. As a result of this support, students benefit from enhanced learning experiences.

Project Selection

Each project proposal is carefully reviewed by a selection committee made up of educators appointed by the Nova Scotia Teachers Union and the Nova Scotia Department of Education and Early Childhood Development. Projects and proposed materials are reviewed by consultants within the Department of Education and Early Childhood Development. Each application is thoroughly examined for transformative elements which will enhance the development of unique educational experiences for students in the public schools of Nova Scotia.

To help ensure that your project application meets the criteria for innovation, please consult the project summaries provided to help you confirm that your application describes a unique and innovative project or approach “

Applicant Criterion

Applicants must be active NSTU members and teaching in the current school year.
Teachers are eligible to receive one PDAF grant per school year (Aug 1st-July 31st).
To reapply, previous project must be complete (summary evaluation sent in to NSTU Central Office)

***Before money is reimbursed successful applicants are required to:

- submit an Accounting Summary complete with **ALL** original receipts totalling the **Full Amount** of the grant. (please note that if purchases are made from the US, the exchange rate as of application date is the amount honored and the applicant(s) is responsible for any difference.
- submit a 100 word description of the project for publication purposes before receiving project funds
- contact the PDAF Committee should changing circumstances result in the project not being implemented
- sign and return the letter of undertaking

Application Deadlines

Applications must be received by the **first business day** of August, October, December, February, April, and June. The PDAF Committee meets to review applications within **the deadline** month. After this meeting, applicants will be informed in writing of the committee's decision.

Project Selection Criteria

The PDAF Selection Committee will base their selection on a variety of criteria including:

- Breakthrough classroom ideas
- Addressing the school's, students', community's needs
- Sustainability/Partnerships
- Uniqueness of project tied to curriculum outcomes
- Inclusive Practice
- Evaluation Process
- Direct benefit to school/student
- Parental and/or community involvement

Additional Considerations

- Each proposal is considered exclusively on the basis of its own merits
- PDAF does not fund consecutive projects
- The project proposal must not require an ongoing financial commitment by PDAF
- The Selection Committee does not consider itself bound by precedent from one proposal to the next

PDAF funding is not available for the following:

- 1) Salaries, honoraria or labour fees
- 2) Travel and accommodations/meals (teachers and students)
- 3) Equipment rental, service and/or labour costs
- 4) Items contained on the Authorized Learning Resources (ALR) list
- 5) Teacher professional learning - or sub days

PDAF funding is not normally available for capital equipment. The PDAF Committee does approve capital items when they are required to successfully implement the proposed project. PDAF Committee does not fund projects that are now considered best practice, and are no longer considered innovative. Innovative is not limited to technology.

Project Coordinator Responsibilities

Successful applicants are required to:

- Submit a 100 word description of the project for publication purposes before receiving project funds
- Submit an Accounting Summary complete with all original receipts, see Project Budget Guidelines
- Contact the PDAF Committee should changing circumstances result in the project not being implemented
- Fill in Checklist
- Sign and return the Letter of Undertaking
- Complete and return the Evaluation Report
