- 21.03 The Provincial Job Security Committee shall, by unanimous agreement, devise procedures, including time limits and extensions to deadlines based on reasonable operational requirements as are necessary for the effective administration of the placement program.
- 21.04 If, following staffing for the ensuing school year pursuant to the Local Agreement, a permanent or probationary contract teacher is in receipt of a notice of termination pursuant to Article 20, or a two (2)-year-one hundred percent (100%) term teacher or three hundred ninety (390)-day-aggregate term teacher in accordance with the Local Agreement has not been placed, the teacher(s) name shall be referred to the Local Job Security Committee.

Job Security Within an Education Entity

- 21.05 The Local Job Security Committee shall determine if a teacher was hired by the Education Entity, for the ensuing school year, prior to the commencement of staffing for the ensuing school year pursuant to the Local Agreement. The Education Entity will then determine if the teacher(s) identified in 21.04 would have been qualified to fill the position for which a teacher was hired prior to staffing process for the ensuing school year.
- 21.06 If the teacher(s) identified in 21.04 is qualified, the Education Entity will:
- (a) reinstate the permanent or probationary contract teacher(s) in accordance with the procedure set out in 21.09;
 - (b) place the term teacher(s) in accordance with the provisions in the Local Agreements;
 - (c) positions shall be offered to the teacher(s) in accordance with the terms and conditions under the agreement between the Education Entity and the Nova Scotia Teachers Union. The Education Entity's options to make positions available to teachers in 21.06 shall include but will not be limited to, the following:
 - (i) offer of an Early Retirement Incentive Plan pursuant to the Special Circumstances provision of Appendix A. This offer will be limited to a number equal to the number of teachers hired prior to the commencement of the staffing process for the ensuing school year and will be made to the most senior teacher whose position the surplus teacher(s) is qualified to fill, in the opinion of the Education Entity;
 - (ii) offer of Job Sharing; or
 - (iii) provide full time substitute service for the ensuing school year at the teacher's regular rate of salary or other equivalent assignment.
- 21.07 The Local Job Security Committee shall satisfy itself that reasonable effort is made by the Education Entity and its administrative and supervisory personnel to have the number of permanent and/or probationary contract teachers who are in receipt of notice of termination because of staff reduction reduced by attrition including the following:
- (i) full year leaves of absence;
 - (ii) additional retirements including the Early Retirement Incentive Plan;
 - (iii) permanent full time substitutes;
 - (iv) job sharing (within staff).

Job Security Outside an Education Entity

21.08 Where the Local Job Security Committee has determined that an Education Entity has not hired prior to the staffing process for the ensuing school year and there are permanent and/or probationary teachers in receipt of notice of termination, the Local Job Security Committee shall refer the name and curriculum vitae of the teacher to the Provincial Job Security Committee no later than May 16 of the school year. The Regional Education Officer or designate shall be responsible for providing a curriculum vitae form to each teacher who has received a notice of intent to terminate.

The Provincial Job Security Committee will determine if permanent and/or probationary contract teachers in receipt of notice of termination because of staff reduction can be placed in available positions in other Education Entities.

- (a) The Provincial Job Security Committee will first determine if there are available positions in another Education Entity, which shall be designated as the receiving Education Entity by the following process:
 - (i) If, following staffing for the ensuing school year according to the Local Agreement for two (2)-year-one hundred percent (100%) term teachers and three hundred ninety (390)-day-aggregate term teachers only, an Education Entity determines the need to hire a new teacher for the ensuing school year, it shall make its requirement known to the Provincial Job Security Committee. Included within this notice shall be all the pertinent data applicable to the vacant position, including but not limited to, such matters as courses taught, qualifications and desired location.
 - (ii) The Provincial Job Security Committee shall refer to the enquiring Education Entity names and curriculum vitae of the remaining teachers, who appear, by the nature of their curriculum vitae, in the opinion of the Committee, to be competent and qualified to fill the vacancy. The referral shall clearly indicate the contract status of the teacher. Referral or non-referral of a name pursuant to this provision is final and non-grievable.
- (b) If the permanent contract teacher(s) identified in 21.08 is, in the judgement of the receiving Education Entity, qualified to fill the position, the available position will be offered to the teacher(s). After the permanent contract teacher(s) identified in 21.08 are placed the receiving Education Entity will give consideration to the probationary teacher(s) identified in 21.08. Where there is more than one (1) teacher to be placed the Provincial Job Security Committee will determine the order in which the position is to be offered.
- (c) Where there are no available positions in other Education Entities the Provincial Job Security Committee will determine if another Education Entity has hired prior to the staffing process for the ensuing school year in that Education Entity which shall be designated as the receiving Education Entity. The receiving Education Entity will then determine if the permanent contract teacher(s) identified in 21.08 is qualified to fill the position for which a teacher was hired prior to the staffing process for the ensuing school year.
- (d) If the teacher(s) identified in 21.08 is qualified, the receiving Education Entity will then place the teacher subject to terms and conditions under the Agreement between the Education Entity and the Nova Scotia Teachers Union. The Education Entity's options

to make positions available to teachers in 21.08 shall include, but will not be limited to, the following:

- (i) offer of an Early Retirement Incentive Plan pursuant to the Special Circumstances provision of Appendix A. This offer will be limited to a number equal to the number of teachers hired prior to the commencement of the staffing process for the ensuing school year and will be made to the most senior teacher whose position the surplus teacher(s) is qualified to fill, in the opinion of the Education Entity;
- (ii) offer of Job Sharing; or
- (iii) provide full time substitute service for the ensuing school year at the teacher's regular rate of salary or other equivalent assignment.

Firstly, to permanent contract teachers in the reverse order in which they were terminated; secondly, to second year probationary contract teachers in the reverse order in which they were terminated; and lastly, to first year probationary contract teachers in the reverse order in which they were terminated.
- 21.10 A teacher, who is placed pursuant to 21.08 (a), (b), or (d) will be deemed to be on loan to the new Education Entity and shall be considered to be an employee of the originating Education Entity for the ensuing school year. This does not preclude the right of the receiving Education Entity to offer, and for the teacher on loan to accept an offer of employment to fill the vacant position in accordance with the hiring policy of the receiving Education Entity. All benefits shall remain and continue to be in effect. The receiving Education Entity shall reimburse the loaning Education Entity for all costs related to the teacher who is on loan.

Purpose

- .01 The purpose of the Early Retirement Incentive Plan is to enable teachers, during the period of declining enrolment, to retire earlier than they might otherwise decide.

Eligibility Requirements

- .02 A teacher must be eligible for a pension under the Nova Scotia *Teachers' Pension Act*.

Application

- .03 A teacher who plans to retire at the end of the school year and wishes to participate in the Plan must make application, in writing, to the Regional Executive Director/Superintendent on or before December 31st of the school year in which the teacher plans to retire.

- .05 Approval of individual request to participate in the Plan shall be at the discretion of the Education Entity subject to the approval of the Employer, and a refusal by an Education Entity to approve an application is final and non-grievable.
- .06 Written acceptance, or denial, of the teacher's request, with explanation, shall be forwarded to the teacher within two (2) months from the closing date for application.

Conditions

- .07 During each year of participation in the Early Retirement Incentive Plan, the teacher shall agree to work for the Education Entity in an assignment mutually agreed upon by the teacher and the Education Entity for a minimum period of twenty-one (21) days, such period need not be consecutive. Unless there are extenuating circumstances, the teacher shall be available for work. If the teacher is otherwise not available for work, the 21 day provision will be reduced accordingly.
- .08 A teacher may participate in the Early Retirement Incentive Plan for a maximum of five (5) years.
- .09 A teacher participating in the Plan shall be paid in accordance with the salary provisions of the Teachers' Provincial Agreement with the calculation for the daily rate to be based on one hundred and ninety-five (195).

.10 The Early Retirement Incentive Plan shall not affect any of the provisions of the Service Award.

.11 The teacher must resign the teacher's position.

Contract

.12 A participating teacher, the Education Entity and the Minister of Education and Early Childhood Development, or designate, shall jointly sign the approved contract before final approval for participation in the Plan is considered granted.

Duration

.13 The Early Retirement Incentive Plan shall remain in effect until mutually agreed otherwise by the parties to this Agreement.

Information

.14 Effective the academic school year August 1, 1999, the Minister shall provide the Union or designate with the following information:

- (i) the number of applications submitted pursuant to .03 by Education Entity; and
- (ii) the names of approved applicants by Education Entity, on or before July 31st of the academic school year.

Special Circumstances

.15 When it is determined, pursuant to Article 21, that an Early Retirement Incentive plan is to be offered the provisions of this Article shall apply except as noted below.

.16 Notwithstanding .07 the teacher shall be guaranteed a period of 69.5 days of substitute service or other work as determined by the Education Entity which need not be consecutive.
