- 2018... Community College Local forms their own union and leaves the NSTU

## **The Transition Years**

The growth, development, challenges and stresses faced by the NSTU and the profession since the mid-1980s have been and continue to be addressed with the resolve and determination shown in the original concepts of our founding members.

Unprecedented societal demands placed on classroom teachers have been paralleled by continued reduction in government funding, reduction and elimination of school boards, and establishment of a Community College structure.

Since the 1990's, "doing more with less" has substantiated, much as it did in 1895, the need for a strong organization to unify and elevate the teaching profession in Nova Scotia. More than 125 years later, that organization remains the Nova Scotia Teachers Union ... *your* Union!

## **NSTU MEMBERSHIP BENEFITS**

### **Webmail**

All NSTU members, and retired members, have access to a free NSTU webmail account. NSTU webmail is the preferred means of communicating with our membership and provides a secure, encrypted, private web account accessible anywhere. It also provides an opportunity for members to join mailing lists pertinent to the profession. NSTU webmail account holders will also benefit from an online registration feature which automatically enters personal information into the appropriate fields when registering for NSTU conferences.

Opening an NSTU webmail account is automated. Simply follow the link on the NSTU website (select “NSTU Web Accounts” from the “Communications” menu) and enter the necessary information to open an account. Please be advised that you must be entered in the Membership Registry in order to open an account and you cannot open more than one account. Once an account has been activated in your name the system will not process a second account for you.

The system will allow you to select your own username and request that you assign a password to your account. You should note the policies relevant to usernames and passwords before you follow the link to process an account request.

Alternatively, you can email [webaccounts@nstu.ca](mailto:webaccounts@nstu.ca) to request an account. If you select this method to request an account, please include your full name (including middle name) and your professional number.

### **Website ([www.nstu.ca](http://www.nstu.ca))**

The NSTU website features videos, tweets, and banners which are “clickable.” In addition, any forms posted on the website are also available on one page titled “Online Forms” which is located under the “Communications” menu. The site features a single interface; therefore, if you attempt to access a protected page the system will prompt you to provide your NSTU username and password (see below for further information on NSTU web accounts).

## **NSTU App**

The NSTU app provides quick access to News, Staff Contacts, Voting, Webmail and other current events. The app also provides users the ability to stay up to date through push notifications. The app is available for download in the Apple Store for iOS devices and in the Google Play Store for Android devices.

# KNOW YOUR NSTU LOGO

The familiar NSTU logo has identified your Union for more than thirty years. The logo was designed by retired Public Relations staff officer Les Walker. The next time you see it, you'll understand its meaningful design...

1.

The flag of Nova Scotia, like your Union, represents all areas of our province.

2.

It forms the cross bar of a T – for teachers, which is surrounded...

3.

...by a solid U – for Union. Unionism is the foundation and strength of the NSTU.

Together, these three key components, representing our province, its teachers and your Union, are interlocked into an overall...

4.

...protective shield which is a graphic representation of the goals set by our founding members and extended to thousands of members for more than 100 years!
