Subject: Photo to show support from MTS and AEFO

Hello President Doucet,

Just a quick note to show our support here in Ontario and Manitoba for Nova Scotia teachers. Manitoba's General Secretary, Bobbi Taillefer, was in Ottawa today and she visited our AEFO headquarters. While she was here, we took a photo of her with our general secretary (Pierre Léonard), President (Rémi Sabourin) and deputy general secretary (Anne Lavoie) in support of Nova Scotia teachers. You will find a copy of the photo attached. We will be posting it on our social media sites.

Best regards,
Marilyne
