

The NSTU Group Insurance Trustees want to ensure that members are aware of the methods by which claims are paid and the most convenient ways to be reimbursed for out-of-pocket expenses related to Total Care Medical and Total Care Dental claims.

Claims Payment

Medavie Blue Cross (MBC) is billed directly by your pharmacy for eligible prescription drugs. You are required to pay the \$5.00 co-pay for each prescription. If you have a hospital stay, hospitals will bill MBC directly so members are not required to be out-ofpocket for semi-private hospital accommodation charges. There are some items insured under Hospital Benefits and Extended Health Benefits such as ambulance service, medical supplies, paramedical services, and medical equipment that may have to be paid up front. When this occurs, many members ask the question:

What is the best method to be reimbursed as quickly as possible for expenses to ensure I am out-of-pocket the least amount of time?

This is an excellent question. MBC have established electronic adjudication for many of its service providers. Providers such as massage therapists, physiotherapists and chiropractors can have your claim adjudicated online requiring you to pay only the applicable co-insurance. As an example, many physiotherapists can bill MBC directly at the time of service and only charge you the 20% co-insurance before you leave their office. Members also need to keep in mind that there are usual and customary maximums that apply to these types of benefits and outlined maximum reimbursement levels. Members should always check with their provider that they are billing within Medavie Blue Cross' usual and customary maximums. Many dental offices can also bill MBC directly to minimize your out-of-pocket expenses. Ask your dentist if they have the ability to bill Medavie Blue Cross directly.

Claims Submission by eClaim

If you do have to pay the provider and submit a claim for reimbursement, Medavie Blue Cross has made it convenient to submit claims electronically. It is important to note that you must be set up for Direct Deposit to take advantage of this feature.
