

Purpose

This program was developed to honour the contribution to the NSTU of John Huntley, who was an active Local leader as well as an Executive Staff Officer in 1993-94 and 1998-1999.

This program is not intended as a precursor to employment with the NSTU. Rather, it is intended to provide active members with an opportunity to learn more about the NSTU by increasing their awareness and knowledge of the workings of the organization. In this way, the internship experience helps to fulfil Mr. Huntley's desire that all members develop a thorough understanding of the NSTU.

Criteria

Applications will be considered based on the following criteria:

- Interest in Union Affairs
- Reasons for applying
- Benefit to the Union
- Regional representation

Selection Process

The Table Officers, in consultation with the Executive Director, will select candidates. The number of applicants selected will be based on the availability of resources, both human and financial.

It should be noted that Union experience is not a prerequisite for program acceptance.

Internship Experience

Selected candidates will serve a two-day internship with the NSTU, where they will have the opportunity to learn from staff from our different departments who will provide insights into the functions and activities of their respective roles.

Nova Scotia Teachers Union Responsibilities

All approved expenses and work-related arrangements will be the responsibility of the NSTU.

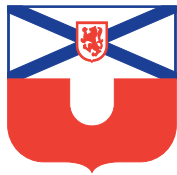

Application Process

Applications are available to active NSTU members through NSTU central office (477-5621 or 1-800-565-6788) or can be downloaded from the NSTU Web site: www.nstu.ca
