NSTU welcomes new Education Minister

NSTU President Liette Doucet is sending along her congratulations to Zach Churchill on being appointed Minister of Education and Early Childhood Development and looks forward to meeting with him in the near future

“There are many challenges facing our education system today,” says Doucet. “We are hopeful Minister Churchill will bring to the role a sense of fairness and a willingness to work with the NSTU and its members to implement needed reforms to improve classrooms.”

Doucet says she is also interested to learn more about the mandate of the newly created Department of Labour Relations and its role within government.
