# III. Professional Association Programs, Procedures, and Protocols

---

## 1. Professional Association Constitution and Operational Procedures

Each Professional Association must have a constitution, which requires the approval of the association's general membership and ratification by the NSTU Provincial Executive. The model constitution used by associations in preparing their own specific constitution may be found in Appendix A of this document. A current copy of an individual Association's Constitution may be obtained by contacting the Professional Learning Department of the NSTU.

Each Professional Association is encouraged to create a set of Operational Procedures for their own use. The model operational procedures that may be used as a template is found in Appendix B of this document.

## 2. Protocol with External Agencies

Contact by NSTU Professional Associations with agencies outside the NSTU, such as the Department of Education or the Minister, can only be made after consultation with the Professional Associations Coordination Committee. The intent of this provision is not to inhibit the activity of any association; rather, it is to ensure consistency in the voice of the Nova Scotia Teachers Union. It is also necessary

to ensure the NSTU does not incur political or financial liability as a result of correspondence.

Following NSTU approval, all written communication with outside agencies must include a copy of the communication to the Professional Associations Coordination Committee for record-keeping purposes.

## 3. National and International Affiliation

Affiliation of NSTU Professional Associations with Canadian or International Associations may be a source of information regarding new trends and developments. Publication, workshops, and conferences of these associations are frequently used as reference points for new ideas or materials. Some NSTU Professional Associations have found that a comprehensive membership in these types of organizations is beneficial to their Association.

## 4. Booking Meetings and Hotel Accommodations UPDATE

The NSTU maintains a contract with a hotel in Halifax to accommodate members while travelling on Union business. **If seeking accommodation, please notify reception at least 3 weeks in advance of your proposed meeting date in order to meet requirements of our host hotel. Our NSTU is only authorized to arrange accommodations with our host hotel.**

Professional Associations may also choose to meet at the host hotel, [The Courtyard Marriot](#) in Dartmouth Crossing, at their expense. The following process is provided for Professional Associations wishing to book meetings in and around HRM:

- For meetings at the **Tom Parker Building**, please see the following [guidelines](#) the Professional Association Secretary completes this form: <https://nstu.ca/the-nstu/communications/online-forms/meeting-room-request-form>.

For meetings at the **Courtyard Marriot Dartmouth**, the Professional Association Secretary must email the NSTU **receptionist at least 3 weeks in advance** with the date(s) of the meeting and request accommodations. **If a meeting space is required, this shall be an additional cost to the association.**

- **Meeting Notices** are sent to Professional Association Executive Members by the NSTU **Receptionist** and will contain a **link** to the **meeting response form** where Professional Association Executive Members can confirm their attendance at the meeting and indicate whether or not they require hotel accommodation.
- The NSTU Receptionist can only book accommodations for those Professional Association Executive Members who return their request for accommodations form via the website. **If a member does not return the form no accommodations will be booked.**
- The accommodations will be billed directly to the NSTU who in turn will bill the Professional Association.
- Booking outside of the host hotel: The NSTU can arrange to have direct billing with other hotels. Please contact your assigned staff officer to have this arrangement set up. The NSTU already has direct billing options set up with the hotels listed on the Deals and Discounts section of the website. When booking outside of the host hotels PAs are required to book their own reservations and reimbursement will be based on the rate available at the host hotel. Costs over and above this rate will be borne by the Professional Association.

## 5. Travelling on Professional Association Business

The NSTU requires that members travelling on behalf of an Association, for the purpose of conducting the business of the Association, must be reimbursed at NSTU travel rates. Information concerning this procedure is available by contacting the NSTU Finance Department. An expense form can be found [here](#).

## 6. Release Time for Conducting Professional Association Business

From time-to-time it may be necessary for an officer of a Professional Association to have release time from their employer to fulfill their duties to the Association. Release time requests must follow this process:

- The Association's executive must pass a motion to approve the release time prior to the date requested. This motion should appear in the minutes of the executive meeting;
- **The Association's executive member(s)** must request the release, in writing, from the employer (RCE or CSAP) **at least 3 weeks in advance** and use the code "NSTU Provincial Business". The name (acronym) of the Professional Association should be identified in the request to the employer/notes to admin (in AESOP EasyConnect). **This release time is at the discretion of the employer and is subject to operational requirements.**
- The Association is responsible for the substitute costs.
- The RCE/CSAP will bill the Professional Association through the NSTU and has up to **December 31<sup>st</sup> following the school year during which the release time was taken.** This consideration should be taken into account when calculating budgetary Items and reviewing financial Information. The NSTU will process the payment, on behalf of the PA, in the ordinary way.

## 7. Professional Learning and Curriculum Development

NSTU Professional Associations are encouraged to organize professional learning activities and curriculum development opportunities which may include the following:

- Conference planners are encouraged to include sessions targeted to early career educators. Such sessions should contain a label noting the desired participant audience.
- Conferences which are carefully designed to meet the needs of educators, with typical activities including such things as: keynote addresses, workshop demonstrations, book displays, audio-visual displays, panel discussions, small group discussions, and bell-ringer sessions.
- Regional professional learning activities which may have immediate relevance to the educators attending.
- Participation in Department of Education and Early Childhood Development provincial task forces, committees, or working groups.

- Curriculum development activities such as: evaluation of curriculum materials, the development of new courses, and student evaluation procedures are matters which can be addressed by associations.

## 8. Publications and Editor

The NSTU can link your social media accounts on the NSTU website. **The only limitation is that the website cannot be an employer-based site such as a gnspe Google Site.**

## 9. Professional Association Websites and Webmasters

The NSTU provides every Professional Association with the opportunity to host its own unique webpage. The association can use the NSTU platform, CMS, or they can create their own site. The NSTU provides the Association's webmaster with full instructions for administering their sites, as well as on-going support as required. For more information, contact [webmaster@nstu.ca](mailto:webmaster@nstu.ca). Items you might consider for inclusion on your Professional Association Website include the following:

- A brief description of the Professional Association, including a mission statement, brief history, membership criteria and any affiliation with national and international organizations, with links provided when applicable.
- Any fellowships, scholarships, or awards that the Professional Association promotes or grants.
- A list of the Association's current Executive.
- Conferences and special events.

Professional Association Presidents shall have a designated NSTU email list on the NSTU website.

**Members of Professional Associations are expected to communicate via their Association NSTU email account or another non-employer email.**

**Transition planning: It is the responsibility of the Professional Association to ensure that incoming executive members have access to all technology and documents required to fulfill the association's mandate.**

# IV. Conference Planning, Procedures, and Protocols

---

## 1. In Advance of Conference Planning

### **Appoint a Conference Chair**

Determining a Conference Chair should be done at the earliest possible date. Nominating the Chair for next year's Conference is part of the slate of officers presented to the Annual General Meeting and will immediately ease the association into the planning process. The appointed Chair should meet with the previous Conference Chair to discuss Conference procedures. **Form a Conference Committee.**

The Conference Committee should include the Conference Chair, PA President, PA Treasurer, and sufficient members to adequately plan your Conference. While many hands make light work, small committees tend to be most efficient.

### **Assign Duties to Committee Members**

Choose carefully. Your Conference depends on reliable self-motivated people, capable of getting their tasks done efficiently with minimum interference or support from the Chair.

## 2. Conference Committee – Roles and responsibilities

### **Conference Chair**

The Conference Chair works with a committee to design and implement the Conference. The Chair reports to the Executive of the Professional Association and gets direction from the Executive. The ultimate responsibility for ensuring the smooth running of an October Conference lies with the President; however, the Chair of the Conference Committee has a great deal of responsibility. Generally, the Conference Chair will have the following duties:

- Set agendas for meetings, call meetings, and Chair meetings of the Conference Committee.
- Determine a conference fee.
- Ensure selection and confirmation of a theme, program topics, speakers, exhibitors, and timetable of activities for Conference.
- Ensure that information is sent to the NSTU in a timely fashion for program publication in The Teacher and online registration.
- Ensure Conference registration forms and procedures are in place in a timely fashion.
- Prepare a Conference Report for submission to the NSTU Central Office and for the following year's AGM.
- Compile a detailed record of correspondence, lists of resource persons, exhibitors, speakers, committees, etc. and pass this resource on to the next Conference Chair.

### **Treasurer/Finance Committee**

Depending on the size and complexity of the Conference and the Professional Association the Association's Treasurer or a Finance Committee may be used to complete financial tasks. The duties of this individual/committee are to:

- Devise a budget taking into account the overall scope of the Conference.

- Submit expenses to NSTU Central Office.

### **Registration Coordinator/Committee**

An individual from the Conference Committee or a separate sub-committee may be used to coordinate the registration process. The duties would include:

- Submit the conference poster form and program form on or before the published deadline;
- maintaining a list of Conference delegates/membership list
- Coordinating registration on Conference Day.
- Sending a list of member registrants to NSTU Central Office.
- Responding to all enquiries from any potential delegates and members.

### **Recorder**

An individual should be selected from amongst the Conference Committee to perform the following duties:

- Record and circulate minutes of Conference Committee meetings.
- Prepare and update Conference Committee minutes and action sheets.

### **Exhibits Coordinator**

An individual may be selected to perform the following duties:

- Determine facility for exhibits and space allocation for displays.
- Invite and confirm exhibitors' participation in writing, specifying terms (fees and space availability).
- Arrange for set-up and dismantling of displays.

### **Publicity Coordinator/Committee**

An individual should be selected from amongst the Conference Committee to perform the following duties:

- Develop a Conference program.
- Inform media of upcoming Conference. Develops press releases for committee's approval, including photos and resumes of keynote speakers.
- Serve as liaison with The Teacher and with photographer for pictures on day of Conference.

### **Hospitality Coordinator/Committee**

- Develop a list of equipment needed by speakers and workshop leaders.
- Arrange for equipment and accept deliveries as required.

- Check workshop rooms to ensure all equipment has arrived and is in working order.
- Ensure that equipment is returned on time.

### 3. Conference Budget Template

Below are the revenue and expense categories suggested for Conference along with tips on how to budget for each line. Overall, the budget amounts should incorporate past results with expectations for the upcoming Conference.

#### Revenue:

- **Registration Fees** – Number of expected attendees multiplied by the registration fee for the upcoming year. For number of attendees use actual from previous year unless there is a known expectation that there will be significantly more or fewer attendees in the upcoming year. The registration fee includes the complimentary membership fees.
- **Exhibitor Fees** – Number of expected exhibitors multiplied by the fee for the upcoming year that will be charged to each. For the number of exhibitors use the actual amount from last year unless it is known that there will be more or fewer this year.
- **Miscellaneous** – Other income anticipated such as book sales, t-shirt sales, interest, sponsorships, etc.

#### Expenditures:

- **Catering** – Cost of any catering for meals, nutrition breaks, etc. Look at last years and factor in expected attendees. If changing caterers get a quote. Don't forget tax and gratuity when budgeting.
- **Committee Expenses** – Number of meetings multiplied by the cost per meeting. To determine the cost per meeting add up all the costs necessary to hold one meeting – travel of all committee members, meals, accommodations, rental of meeting space, etc. Members travelling on Committee business must be reimbursed at NSTU travel rates.
- **Equipment** – Cost to rent or purchase equipment needed for the Conference (i.e. microphone, speakers, video equipment).
- **Facilities** – Cost to rent facilities to hold Conference. Factor in cost increases due to number of attendees or different venue.
- **Hospitality/Reception** – Cost to hold a reception or hospitality room including food, entertainment, supplies, etc. will depend on number of attendees.
- **Office** – Use actual from previous years and add/subtract known changes for items such as printing, postage, etc.
- **Presenters** – Should get a quote for main presenter factoring in all expenses that you will cover (travel, meals, accommodations, gift). Also include cost of fees/gifts for other presenters.
- **Gifts/Prizes** – Modest gifts for special guests and Conference organizers are allowed. Limited modest prizes for Conference delegates, selected at random are allowed; alternatively, a draw for a single prize, not to exceed \$200 in value, is allowed.
- **Supplies** – Use actual from previous years and add/subtract known changes for items such as booths, name tags, etc.
- **Miscellaneous** – Other anticipated costs of holding the Conference.

## 4. Registration Process

### Conference Registration

By the **last (3<sup>rd</sup>) Friday in May** a complete Conference program must be submitted to the NSTU Central Office for the creation of online Conference Registration. **Edits** to the online Conference Registration **can not be guaranteed after the second (2<sup>nd</sup>) Friday in August**. **Previews of Conference registration and webpages sent to registrars by 4<sup>th</sup> Friday in August**.

Registrars are to complete a **refund form** on all requests prior to and after the refund deadline. **The form MUST be completed by the conference registrar**. Once submitted, it will automatically be sent to the NSTU Financial Officer. Once an individual has been refunded, NSTU Central Office will remove the person from the participant list for the Conference.

## 5. Conference Program

### Survey Members

Needs assessment is an important consideration for planning professional activities. Most complaints about the relevance of a Conference originate because members have not been consulted as part of the planning process. This could be done as part of an evaluation given out at the previous Conference, or by way of an electronic survey form and shared on the Association's social media channels and via non- employer email. Items to consider when surveying member needs:

- Topics to be covered by workshops including concerns of members.
- Ratio of time spent in lectures or panel discussions compared with workshops.
- Number and length of sessions to be included in program.
- Programming for evenings.
- Social event, tours.

### Set Conference Theme and Objectives

- A list of specific objectives should be designed to meet the needs as expressed in the survey.
- Establish a Conference theme.

### Session Leaders

Plan to contact speakers and workshop leaders early in the planning process. Be sure to:

- Ascertain correct title, position, and surname spelling for each speaker.
- Define fees, expenses, and honoraria to prevent misunderstandings.
- Send a follow-up confirmation letter containing all necessary information.
- Supply a contact person on the Committee for questions the speaker might have (Chair or Registrar are possible contact individuals).

### Possible sources for session leaders include:

- Teachers.
- Department of Education personnel.
- Consultants from Regional Centres for Education or CSAP.
- Post-secondary faculty or other personnel.
- Writers, publishers, or education suppliers.
- Elected officials (local, provincial, or national).
- Libraries.
- Researchers, speakers, or ‘experts’ of a national or international caliber.

### Program Content Guidelines

Information regarding content guidelines and regulations is sent to Conference Chairs and Professional Association Presidents in April. Professional Associations must ensure that program information for inclusion in *The Teacher* and the online catalogue is received by the NSTU by the fourth (4<sup>th</sup>) Friday in May. This information must be submitted as a **complete package** to the NSTU. When using Conference Co-Chairs, one individual must be identified to the NSTU as the contact person.

Professional Associations wishing to use additional Conference program preparation and distribution do so at their own expense.

**PLEASE NOTE: No alcohol/cannabis related sessions or tours are permitted during Conference Day.**

## 6. Conference Site and Exhibitor Selections

### Special Needs Requirements-see appendix B (Please place link in document)

Conference registration forms must ask participants if they have special requirements in order to attend Conference sessions. Every reasonable effort must be made to accommodate individuals. The following checklist must be submitted to each conference venue and information returned must be communicated to delegates at the time of registration.

Arrangements must be made early for a Conference site suitable for the Professional Association’s typical Conference. Once a site has been confirmed, arrangements should be made for accommodations close to the Conference site. Some site owners may request special insurance coverage; such requests should be directed to the Association’s President who, along with NSTU staff, will make the appropriate arrangements for coverage.

If planning on having exhibitors plan early. Contact potential exhibitors with expected dates, times, and facilities.

Virtual/Hybrid Option(s): Professional Associations who plan to include a virtual aspect to their conference are reminded that the NSTU cannot provide technical assistance during the conference.

## 7. Printing Services Supplied by NSTU Central Office

The NSTU may arrange to print the following material for Professional Associations leading up to Conference day:

- D Nametag **Labels-no lanyards** (With registered sessions if requested),

**Conference materials that require printing must be submitted to the NSTU Central Office prior to the fourth (4<sup>th</sup>) Friday in September. The NSTU cannot guarantee that materials submitted after this date will be ready by Conference Day.**

**The NSTU will NOT print conference agendas or workshop handouts. It is the responsibility of the PAs and the presenters to supply these materials for the conference.**

## 8. Conference Marketing

Conference Committees should consider the following publicity/marketing techniques:

- Use of a Conference banner or neon wheels sign to advertise Conference site.
- Press release for circulation to appropriate media with a photo and resume for keynote.
- Arrange for photographer to capture Conference proceedings.
- Invite guests.
- Offer a draw for people who register early.
- Incorporate a lunch in the Conference fees.

## 9. Final Logistics for Conference

# [INSERT NAME OF PROFESSIONAL ASSOCIATION]

## CONSTITUTION

### *Preamble*

NSTU Professional Associations are committees of the NSTU and as such shall have a Constitution which is not inconsistent with the NSTU's Constitution, Policy, or Operational Procedures. NSTU By-Laws Article VI – Professional Association Governance and NSTU Operational Procedures 13 – Professional Associations defines the Professional Association governance structures and procedures.

### **Article I**

#### *Name*

- [1] This committee shall be called the [insert name of the Professional Association] of the NSTU, hereinafter may be referred to as the “Professional Association” or the [insert acronym for the Professional Association].

### **Article II**

#### *Mandate*

- [1] The mandate of the Professional Association shall be to encourage and assist Members in professional development activities in their respective fields.
- [2] The objectives of the Professional Association are to:
  - (a) improve professional practice by increasing Members’ knowledge and understanding;
  - (b) disseminate ideas, trends, and new developments;
  - (c) advocate interests of the Professional Association, consistent with NSTU Policy and practice; and,
  - (d) advise the Professional Association Coordination Committee on matters of specific interest to the Professional Association.

### **Article III**

#### *Membership*

- [1] Membership in the Professional Association is open to Active, Reserve, and Associate Members of the NSTU, is voluntary, and is conditional on paying the Professional Association Membership Fee as set by the Membership at the Professional Association’s Annual General Meeting.
- [2] Substitute teachers wishing to become a Member of the Professional Association must be a Reserve Member of the NSTU.
- [3] University faculty or full-time education students wishing to become a Member of the Professional Association must be an Associate Member of the NSTU.
- [4] Non-members may attend the Professional Association’s events, including October Conference Day, by paying a non-member fee as set by the Professional Association’s Executive.

## **Article IV** ***Executive***

- [1] Only Members of the Professional Association who are Active NSTU Members may serve as Executive Members of the Professional Association.
- [2] The Professional Association Executive shall include the following:
- (a) President

**NOTE:**

The Executive must include a President as outlined in NSTU By-Law. The Professional Association has the ability to have other Executive Members, the typical would be such Executive positions as:

- President
- Vice-President
- Treasurer
- Secretary

Depending on the size and complexity of the Professional Association, they may choose to have an extended Executive such as:

- President
- Vice-President – Conference
- Vice-President – Communications
- Treasurer
- Secretary
- Past President (in years where applicable), and
- Member(s)-at-Large.

It is also possible for an Association to combine positions, for example having a Secretary/Treasurer as opposed to having two individuals fulfill the duties of these two positions.

It is up to the Professional Association to decide on the Executive structure of the Association. All Executive positions should be listed in [2] following (a). Once the Professional Association Membership decides on their structure through adoption of a Constitution duly ratified by the Provincial Executive this should be the Executive structure for the Professional Association.

- [3] Executive Members are expected to fully attend as well as actively participate in all meetings of the Professional Association.
- [4] Executive Members are responsible to fairly represent decisions of the Executive when speaking on issues addressed by the Executive.

## **Article V** ***Committees***

- [1] Only Members of the Professional Association who are Active or Reserve NSTU Members may serve on Committees of the Professional Association.
- [2] The Professional Association shall establish the following Standing Committees:
- (a) Communications
- (b) Conference

- (c) Finance
- (d) Nominating

**Note:**

The Professional Association is expected to have the four Standing Committees listed above. The Professional Association has the ability to have other Standing Committees as they deem appropriate based on their size and structure. If the Association wishes to have fewer than these four Standing Committees, the committees required to run the Association should be listed here. If the Association wishes to have other/more Standing Committees, they should be listed in [2] following (d).

It is important to note, depending on the size and complexity of the Professional Association, a Committee may be a single individual as Chair, for example, the Finance Committee may be just the Treasurer of the Association.

It is also understood that some Professional Associations do much of their work at the Executive level, with a blurring of lines between an individual Committee and the Executive. In such instances, it is still important to have an individual Executive Member as chair in name.

- [3] The Executive shall appoint members to each Standing Committee on an annual basis.
- [4] The term of office on a Standing Committee will be for two (2) years from the conclusion of the Professional Association's October Conference to the conclusion of the Conference two (2) years henceforth. There are no term limits for serving on Standing Committees.
- [5] The Executive may appoint ad hoc committees as circumstances dictate.
- [6] Standing Committees of the Professional Association shall be Chaired by an Executive Member of the Professional Association.
- [7] The Treasurer shall chair the Finance Committee.

## **Article VII** *Annual Council*

- [1] The Professional Association is entitled to one (1) Voting Delegate at Annual Council.
- [2] The Voting Delegate will be the President of the Professional Association or a designate selected from and by the Executive.

## **Article VII** *Elections/Voting Privileges*

- [1] Only Members of the Professional Association who are Active or Reserve NSTU Members have the right to vote in elections of the Professional Association.

- [8] In the event that the President cannot complete a term of office, the Vice-President shall assume the duties of the President in the interim. The Nominating Committee shall seek nominations for the position and conduct a by-election. The term of office for this position shall be until the completion of the vacated term of office.

**Note:**

For Associations that have more than one Vice-President based on specific roles the VP to take over in the absence of the President needs to either be specified here or a method to determine which one takes over specified here.

For example one of the following to replace "... the Vice-President shall assume the duties ...":  
"... the Vice-President – Conference shall assume the duties ..."

OR

"... the Vice-President – Communications shall assume the duties ..."

OR

"... the Executive shall appoint a member of the Executive to assume the duties ...."

- [9] In the event that an Executive member other than the President cannot complete a term of office, the Nominating Committee shall seek nominations for the position and conduct a by-election. The term of office for this position shall be until the completion of the vacated term of office.
